PRESS RELEASE

FOR IMMEDIATE RELEASE

**KYM'S CARTON BOX MANUFACTURING FACILITY ATTAINS
GLOBALLY RECOGNIZED FSSC 22000**

PETALING JAYA, 13 December 2024, KYM Holdings Bhd is proud to announce that KYM Industries (M) Sdn Bhd has attained its Food Safety System Certification (FSSC 22000) for its carton box manufacturing facility located at Beranang, Selangor.

"This remarkable achievement underscores KYM's commitment to maintaining the high standards in product quality and food safety. This milestone is a testament to the hard work and dedication of our team, who consistently drive continuous improvement in the process to ensure the integrity of the food products," said Michael Lim, the Managing Director of KYM Industries (M) Sdn Bhd.

FSSC 22000 Certification Scheme provides a certification model that can be used in the food manufacturing industry and the related supply chain to ensure food safety standards and processes. FSSC 22000 is GFSI-recognized and follows the food chain category description as defined in ISO 22003-1:2022.

Darren Lee, Chief Executive Officer of KYM Group commented, "Obtaining the FSSC 22000 certification is a positive step for us as a group, enabling enhanced service to the food industry. We are proud to be the one of the early pioneers in the corrugated carton box industry to attain the globally-recognized FSSC 22000 certification. This certification not only demonstrates our commitment to food safety but also positions us as a trusted leader in the industry."
